BUSINESS RESPONSIBILITY AND SUSTAINABILITY POLICY

1. INTRODUCTION

The Securities and Exchange Board of India (SEBI) has notified the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") are applicable to all listed entities with effect from 1st December, 2015.

In this regard, the Policy on Business Responsibility is formulated in line with the requirements of Regulation 34 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and is intended to ensure that the Company contributes towards sustainable development and fulfils its Social, Environmental and Economical responsibilities in fair, sustainable and transparent manner.

This Policy reaffirms the Company's (TPL) endeavor to follow the principles and core elements, in conducting its business, as laid down in the National Voluntary Guidelines (NVGs) on Social, Environmental and Economic responsibilities of Business issued by the Ministry of Corporate Affairs, Government of India. The key principles identified in the NVGs which are required to be reported by the entities include the areas such as environment, social, governance, stakeholder's relationships, etc.

2. PARTICIPATION BY SUBSIDIARY COMPANY

The subsidiary companies may participate in the Business Responsibility Initiatives of the Company to the extent required under the laws of the country in which they operate.

3. IMPLEMENTATION

The Managing Director (MD) or Whole Time Directors (WTDs) and Company Secretary of the Company are severally responsible for implementing the Business Responsibility Policy. The Whole Time Directors of the Company shall be Head for Business Responsibility and will oversee the implementation of the Policy. The Business Responsibility Policy shall be appropriately communicated within the Company across all levels and shall be displayed on the Company's website. Compliance with the Policy shall be monitored and evaluated on regular basis. Respective Functional Heads will formulate action plan / checklist to ensure compliances of the various principles enunciated in the Business Responsibility Policy. Any grievances / complaints with respect to non-compliance with the Policy shall be reported to MD / WTDs

Principle 9 : Businesses should engage with and provide value to their consumers in a responsible manner

Engaging with Clients

Customers are one of the most important stakeholders. The foundation of the Company is based on the trust, satisfaction and loyalty of our consumers across the world. The Company's products are industrial chemical products and hence, it continuously strives to make available its products that are safe and competitively priced for the benefits of its customers / end users.

Policy

1. The Company, while serving the needs of their customers, will take into account the overall well-being of the customers and that of society.
2. The Company is dedicated to providing their customers with products that are tailored to their specific needs and preferences.
3. The Company will ensure that they do not restrict the freedom of choice and free competition in any manner while designing, promoting and selling their products.
4. The company will ensure that all products supplied meet the specified quality and adhere to the stated specifications as Quality assurance is top priority and we take every measure to maintain the highest standards in our offerings.
5. The Company will disclose all information truthfully and factually, through labelling and other means, including the risks to the individual, to society, so that the customers can exercise their freedom to consume in a responsible manner. Where required, the Company shall also educate their customers on the safe and responsible usage of their products and services.
6. The Company will promote and advertise their products in ways that do not mislead or confuse the consumers or violate any of the principles in these Guidelines.
7. The Company will exercise due care and caution while providing goods and services that result in over exploitation of natural resources or lead to excessive conspicuous consumption.
8. The Company will provide appropriate and prompt grievance redressal mechanisms to address customer concerns and feedback in a fair and equitable manner to ensure all parties involved are treated justly.
